November 14, 2014

Dear Sir/Madam,

### TO WHOM IT MAY CONCERN

#### RECOMMENDATION FOR WELDING AND FABRICATION SERVICES

Please accept this letter as my personal and professional endorsement of **Pinnacle Engineering Company Limited** as an outstanding business partner to **Textile Ghana Limited** as a Welding and Fabrication company with a 6G certification working standard.

Since my earliest involvement with **Pinnacle Engineering**, I have found their company to be world class in many ways. Their representation on the site, their effectiveness and delivery speed on projects has always been fair, courteous and above all, professional in every respect.

**Tex Styles Ghana's** partnership with **Pinnacle Engineering** is exemplary of the model to which we would endorse for all industries to aspire.

TEX STYLE GHANA LTD.
