

COMPANY PROFILE

Ajombapa Line Limited is a registered company under the business regulation law of Ghana with Ghanaian as shareholders, and it was Ajombapa Line Ventures as a sole proprietorship business but now change to Limited Liability Company with the vision of building it to an enviable organization in the business world

Ajombapa Line Limited is an information technology consulting services, supplies, Clearing and Forwarding by applying practical innovation through services and solutions that deliver tangible results for Mining Sector, Oil & Gas Sector and government Institutions

We are becoming one of the best customs clearing agents in In Ghana with over 3years of experience. With updated customs regulations and procedures, we handle clearance of import and export consignments by sea, air and road efficiently and easily. Our main services in custom clearing include advice to the clients in preparing documents related to import and export, completion of appraisalment and examination procedures and payments. After the custom formalities are completed, we deliver the consignments to the said destination as per our clients' needs.

Ajombapa Line Limited is totally geared up to deliver to all its clients a very strong and complete service back up in terms of comprehensive logistics solutions. It has created a value-driven portfolio which has been further bolstered by building a support team of professionals, a national and international network and also a pro-active response and technology driven system.

Today, it handles the clearing and forwarding of a variety of industrial import and export consignments. From loading at ports, unloading, dispatch, warehousing etc, it can handle and deliver consignments of every shape and size across national and international borders.
