Dear Sir,

RE: APPLICATION FOR THE REGISTRATION OF HOUSEHOLD CHEMICAL SUBSTANCE

This is to inform you that the Food and Drugs Authority (FDA) has completed the review of your household chemical substance application submitted pursuant to Section 118 of the Public Health Act, 2012 (Act 851) for the registration of the underlisted products.

Based upon the information presented to date, the FDA has concluded that the products are safe for use as recommended in the submitted labeling, subject to the conditions in this letter.

Your application has therefore been approved and issued with the corresponding registration numbers:

1. MARVEL LIQUID SOAP	FDB/C.14-4046
2. MARTOL ANTISEPTIC LIQUID	FDB/C.14-4047
3. MARVELA DISINFECTANT LIQUID	FDB/C.14-4048
4. PALMER CLEANSER	FDB/C.14-4049
5. MARZONA BLEACH	FDB/C.14-4050

This registration is valid for three (3) years and expires on May 1, 2017.

A certificate of registration is being processed for collection in room 307 of the FDA's Head Office.

The conditions which apply are as follows:

- The household chemical substances must conform to all the details submitted in your application and as modified in subsequent correspondence.
- The products cannot be advertised via promotional material/product launch unless the advertisement has been vetted and approved by the FDA.
- No changes may be made to the indications, quality specifications, composition and packaging materials of the products without prior approval from the FDA.

Post Marketing Surveillance activities into the quality of the products are ongoing and any adverse findings will be brought to your immediate attention and the necessary regulatory measures taken.

Please ensure that you promptly communicate any change in the safety information on the products to the FDA.

Yours faithfully,

A handwritten signature in blue ink, appearing to read 'Hudumogtari', with a stylized flourish at the end.
